

ANNUAL DISCLOSURES - 2022 ANNUAL SECURITY REPORT

September 29, 2022

Dear Enrolled Student and/or Staff Member,

Each year, Cosmetology and Spa Academy (referenced from this point as "the School") will post an annual notice to enrolled students and staff members. This notice includes Annual Security Report.

Below is a brief description of the notice, as well as an electronic address where they are posted.

If you would like to obtain a paper copy of any reports, please email studentservices@csaeducator.com or call (815) 200-9385

Annual Security Report: The Clery Act requires the School to disseminate a public annual security report (ASR) to students and employees. The purpose of the annual security report is to provide campus crime statistics on certain crimes in specified geographic areas in addition to details of campus safety, Violence Against Woman Act (VAWA), Title IX, sex offender registration website, campus security, emergency response and other related materials. The statistics include a three-year comparison of crimes in on-campus property, non-campus property, and public property. The School does not offer on campus housing. A summary of the three-year crime statistic is included in the School Catalog provided to prospective students prior to enrollment.
